

A detailed architectural illustration of a complex, multi-level structure resembling a labyrinth or a series of interconnected platforms and stairs. The structure is built from grey and blue rectangular blocks, creating a series of walkways, stairs, and open spaces. Numerous small figures of people in business attire are scattered throughout the structure, walking on the various levels and stairs, which emphasizes the scale and complexity of the design. The background is a light, textured yellowish-brown. Overlaid on the center of the image is white text.
